Leadership Theory and Research: Perspectives and Directions [Martin M. Chemers, Roya Ayman] on malmesburyneighbourhood.com *FREE* shipping on qualifying offers. This volume was conceived as a tribute to Fred Fiedler in honor of his fortieth year of research and scholarship in the study of leadership and organizational effectiveness. As Harry Triandis points out in his chapter in this book, the study of leadership can be fairly divided. The chapters in this book, more than most recent collections on leadership research, address these issues of subjectivism, universality, temporality, and process.
