

# Becoming Magic: A Course in Manifesting an Exceptional Life (Book 1)

Becoming Magic is book one of a complete course in becoming creator of your own exceptional life.

In this book, I outline the exact steps which enabled me to move my own life from one of poverty and drudgery, to one of previously unimaginable wealth, purpose and joy.

Part one of this course lays the groundwork for becoming a magical person. The plan is to build your knowledge slowly, gradually, building on what has gone before moving on to more complex techniques only once the basics are mastered.

My intention is that this book will allow you to become a true creator of your own life, reawakening and rekindling your belief and interest in The Law of Attraction, Reality Creation, Cosmic Ordering or whatever you wish to call it.

I prefer simply to call it Magic.
