

The Spirit of Holiness: Revised Edition

Everett Cattell grew up in the Friends Church during the early part of the twentieth century. Both the traditional importance in the Quaker movement of the role of the Spirit and the rise of the Wesleyan Holiness Movement had a significant influence on him. In Cattell's own words: "I was brought up on holiness."

"As a young Christian trying to live the sanctified life," Cattell confesses, "I found problems in correlating the teaching I heard with my own experience." This book is the product of Cattell's deeper study of holiness.

Half a century after *The Spirit of Holiness* was first published, Wayne Evans invites you to revisit the timeless truths Cattell shares. Evans has added at the end of each section notations that stimulate discussion and enhance relevance. As Evans points out, "This book is about practical everyday Christianity."

Everett Cattell (1905-1981) was a pastor, missionary, church administrator, and college president.

Wayne Evans is general superintendent of Evangelical Friends Church—Eastern Region.
